

Welcome Back!

2021 Saints Peter and Paul Orthodox Church School- Crossingville, PA

Hello, families!

I am thrilled to welcome you all back to church school! The direction of Saints Peter and Paul's Church School has gone down many different paths over recent years. However, I am excited to announce that the Church School Team had a vision and with hard work and dedication, that vision of creating a highly engaging and interactive church school program inspired by the philosophy of Dr. Maria Montessori has come to life! This will be an experience like no other for your child to know The Lord. I look forward to sharing this journey with your child!

-Kyra Mathewson

Church School Team Leader

Classes and Ages:

Our church school has been divided into three different classes. Catechesis of The Good Shepherd will be led by Jesse and Grace Mathewson for ages 2-6. Catechesis of The Good Gardener will be led by Olivia Snyder and Kyra Mathewson for ages 6-9. Catechesis of The Good Carpenter will be led by Fr. Daniel Mathewson for ages 10-13. Ages 13+ will meet with the church school team to determine the best role for them to continue with their spiritual growth (ie, atrium assistant, choir member, altar server, adult education classes, etc.) Anna Rachocki will also continue to meet with all children for Orthodox music classes. Ages for each class are approximate. At the beginning of each church school year, the children will be placed in the class that the church school team feels will best fit their spiritual needs.

Lessons and Schedule:

Please see the church school schedule for an entire overview of the church school year (Sept-Sept.) The calendar also includes family activities throughout the year so please **mark your calendars now!** On the schedule you will notice what lesson/presentation each level will be doing each week. The lesson binders are in the classrooms and families are encouraged to view them often. Every CGG and CGC lesson includes extension activities for your child to work on at home.
